

School Accident

Pupil's name:

Location:

Date / Time:

Pupils involved in an accident during regular school hours, during school events and on their way to school are insured by the professional association of the **Bavarian Landesunfallkasse**, Ungererstr. 71, 80791 Munich.

In the event of an accident which requires medical care, you are requested to inform the doctor that this is a school accident and the Bavarian Landesunfallkasse then covers for the expenses.

For orthopedic treatments, please see an accident insurance consultant or go to casualties at a municipal hospital. Accident insurance consultants are appointed by the regional associations of Trade Associations Specialists in surgery and orthopedics with specialist knowledge and experience in the entire field of trauma medicine.

A list of accident insurance consultants can be obtained from us or visit: <https://www.jameda.de/d-arzt/muenchen>

We would like to point out that private bills may not be fully reimbursed.

If you need to see a dentist, then please make sure that there is a doctor with health insurance license.
