From 01.09.2024

Application deadline: 06.05.2024

The European School Munich (ESM) provides multilingual and multicultural education from kindergarten to the Abitur. It is the only school in Munich in which the national languages of all member states of the European Union are taught. It is part of the system of European Schools, which were founded by the EU member states as official educational institutions. From kindergarten onwards, the children experience community, tolerance and co-operation across linguistic and cultural borders. Education and teaching in the European spirit are supported by a multilingual and multicultural team.

Your profile

- You have the qualification in the Netherlands or in Belgium to teach pupils in Dutch in the primary cycle.
- Your mother tongue is Dutch.
- Ideally, you have at least 3 years of professional experience.
- You have language skills (B1 or higher) in at least one other European language, preferably German, English or/and French.
- You have experience with pupils with special educational needs and enjoy accompanying and supporting children on their individual development path.
- You would like to work in a multinational environment in a team with colleagues from all over Europe and educate children in the European spirit.
- You have a keen interest in and skills for working in an intercultural environment.
- You can identify with our educational concept and are motivated to implement it creatively and competently as part of a team.

Your tasks

- Teaching on the basis of a jointly agreed curriculum (all EU countries).
- Exchange and co-operation with teachers from different language departments.
- Time quota: 21.0-25.5 hours/week.

We offer

- Team working in a multinational environment.
- An open working atmosphere with mutual appreciation.
- Excellent school facilities and premises.
- An attractive salary as a locally recruited teacher.
- In-service training.
- If you would like to enroll your children at the ESM: Children of staff members fall under category I and are therefore eligible for admission. There are no school fees if you work full-time.
