The European School Munich (ESM) provides multilingual and multicultural education from kindergarten to the Abitur. It is the only school in Munich where the national languages of all the Member States of the European Union are taught. It is part of the system of European Schools established by the EU Member States as official educational institutions.

We offer

- A permanent contract for a full-time position – the amount is always based on demand and is expected to be around 20 teaching periods in school year 2024/25.
- A workplace in beautiful Munich with very good transport links, a company car park is available.
- Fair and attractive salary, based on professional experience and proven qualifications.
- The possibility of having one's own children admitted to the ESM.
- A separate holiday schedule that differs from Bavaria, with an 8-week summer holiday in July/August.
- A very appreciative and open school climate.

Your profile

- You have the certified Qualified Teacher Status (QTS) to teach pupils in Mathematics up to the European Baccalaureate (A-Level equivalent) and to prepare them for the European Baccalaureate examination.
- Your mother tongue is English.
- You have language skills (B1 or higher) in at least one other European language, preferably German or French.
- You want to work in a multinational environment in a team with colleagues from all over Europe and educate children in the European idea.
- You are prepared to make an above-average pedagogical and personal commitment.
- Experience with pupils with special educational needs is desirable.
